

The Enneagram Series: A Plan For Growth

1. What new insight have I gained about myself because of this teaching on the Enneagram?
2. How do I experience the world? Have I assumed others experienced the world that way, too?
3. Is there a weakness that I've been unaware of that's come to light? How is it holding me back?
4. What have I learned about myself that will help me have better relationships?
5. What have I learned about myself that will encourage me to increase my dependence on God?
6. Do I recognize my negative patterns? What do I need to do or tell myself to keep from going to that place?
7. What do I believe about myself, or others, that contradicts what God says about who I am?
8. What are some things I can start doing to get to my healthiest place?
